PROJECT MATCH Use one row before starting or buying yarn for a project.

Project	Yarn / Color	Weight	Yards Needed	Yards On Hand	Enough?	Same Dye Lot?	Storage	Notes

BEFORE YOU BUY MORE YARN

- ☐ Do I already own the same color or close substitute?
- ☐ Do I have enough in one yarn / dye lot for the project?
- ☐ Is existing yarn already reserved for another project?

LEFTOVER YARN PLAN

- ☐ Record partial skeins instead of returning them to the bin untracked.
- ☐ Add a storage location so remnants are easy to find.
- ☐ Assign useful leftovers to a future scrap-yarn project.
